

Leather Foot

Husqvarna Viking Mega Quilter
#416 04 81 01

Machine Settings:

Thread tension: 4-5

Stitch length: 3-5

Foot pressure: 3-5

This foot is molded of a special resin for easy sewing of fabrics that might stick to a metal foot, Ultrasuede, faux suede, vinyl, imitation leather etc.

1. Attach the Leather Foot to the presser bar
2. Stitch seams or topstitching as desired.
