*Needlework Eyeglass/Rotary Cutter Case & Pin Cushion*    EMBROIDERY CLUB #79  
Designed and Digitized by Kothy Hafersat

This great project looks exactly like hand sewn needlepoint! You'll fool everyone around! Stitch up a variety to have on hand as last minute gifts! The case is perfect for your glasses, or to keep your rotary cutter safe and sound. The quick project is a pin cushion, pretty enough to display for all to see!
