

Majestic Flower Placemat

By Marie Duncan, Education Creative Coordinator

Create the Majestic Hoop flower design in **DESIGNER DIAMOND™ Special Technique #11 Majestic Hoop Flowers**. Then create a font, and add a monogram. Finish the placemats with Spanish Hemstitching and you will have very special placemats suitable for any occasion.

Sewing Supplies:

- HUSQVARNA VIKING® DESIGNER DIAMOND™ sewing and embroidery machine
- Clear ¼" Piecing Foot w/Guide 412927445
- Spanish Hemstitch Foot 413064845 (Includes Distance Plate)
- One yard linen for EACH placemat
- ½" wide Steam-A-Seam 2
- INSPIRA® Topstitch needle, size 90
- 40 wt. rayon embroidery thread to match the linen
- 30 wt. Sulky cotton thread or 40 wt. rayon embroidery thread
- Bobbin thread
- Sewing thread to match linen

Cut:

- One piece 22" x 20" with embroidery from DESIGNER DIAMOND™ Special Technique #11 Majestic Hoop Flowers stitched on it.
- One piece 15" x 18" for lining
- Two triangles cut according to diagram

- Cut the embroidered piece down to 15” x 18”

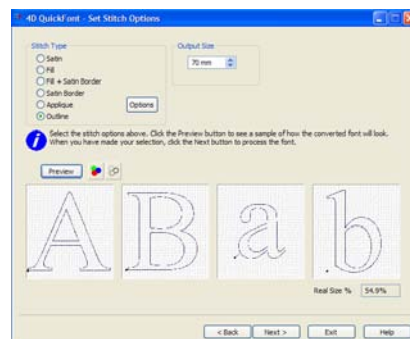

Create your Initial:

You can create virtually unlimited fonts, thanks to 4D™ QuickFont that came with your DESIGNER DIAMOND™ Sewing and Embroidery Machine. Any true type font in your PC can quickly be an embroidery font. Be sure that the Majestic Flower design you created is on the DESIGNER DIAMOND™ Ultimate Interactive Screen.

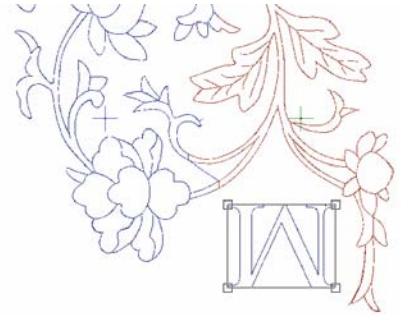

1. Open 4D™ Embroidery , or 4D™ Embroidery Extra  if you have it. If not, open 4D™ QuickFont directly from your 4D™ Embroidery System folder.
2. Click Accessories and choose 4D™ QuickFont.
3. In Font, select Times New Roman.
4. Style Regular
5. Make sure HUSQVARNA VIKING® is chosen for the Machine and DESIGNER DIAMOND™ sewing and embroidery machine is shown in the list.
6. Character Set Western 1 then click Next.
7. Select Stitch Type Outline.
8. Set the Output Size to 70mm then click Preview.
9. Click Next and the Font will be generated.

Leave Send Font File and Save Font File selected. Make sure your PC is directly connected to your DESIGNER DIAMOND™ sewing and embroidery machine with the USB cable included with it, to send the font directly to your machine then click Next.

10. On the Print Options page, you can print a catalog of the file or start a new font. Click Finish.
11. Your new font is now available in your DESIGNER DIAMOND™ sewing and embroidery machine.
12. On your DESIGNER DIAMOND™ sewing and embroidery machine, click the Start Menu

13. Scroll down and find the Times New Roman 70 font and select it.
14. Choose your initial then touch OK.
15. With your initial selected, place it as shown in your Majestic Flower.
16. Slide on your Majestic Hoop, Touch .
17. Touch the third color to take you directly to the thread color of your initial. Embroider the initial.

Make Twisted Cord:

1. Following the instructions posted on Tips and Hints, at www.husqvarnaviking.com, USA, Education, make about 12" of twisted cord.
2. To create the beaded tassel, slide one bead on to the cord. Bring the ends together and slide several more on to the double strand. Tie a knot at the end of the cord. Be sure to leave 1" of cord beyond the beads to sew into the seam allowance.

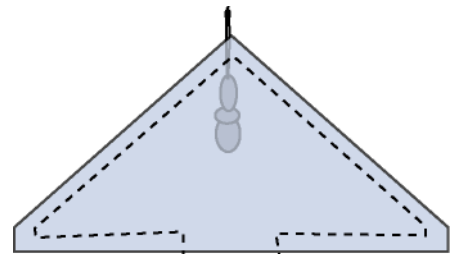

Sew:

1. Thread with sewing thread top and bobbin. Snap on your Clear ¼" Piecing Foot w/guide.
2. Place the triangles right sides together. Place the beaded tassel between the two layers in the point of the triangle, with the knot inside the seam allowance as shown. Select Woven Medium, Seam on your Exclusive SEWING ADVISOR™ menu. Stitch the triangles together using a ¼" seam allowance.

Leave a 3" opening on the straight 18" side for turning. Begin at the raw edge of the fabric and sew in to the seam

allowance ¼". Touch Needle Stop Down . Pivot and sew around the triangle to 3" from the start point. Stop, pivot and sew to the edge of the fabric.

3. Place the embroidered rectangle and the lining rectangle right sides together and stitch the same way as step 2.
4. Clip the corners. Turn, press. Insert Steam-A-Seam 2 into the openings and press with steam to fuse.
5. Thread with 30 wt. cotton thread top and bobbin.

6. Snap on your Distance Plate and Spanish Hemstitch Foot. Select stitch E1:15  . Touch  to turn it off before beginning to stitch. Place the embroidered rectangle on one side of the distance plate and the long side of the triangle on the other. Be sure you have a long tail of both top and bobbin thread. Hold the threads as you begin sewing. Stitch the Spanish Hemstitching to join the two pieces together.

7. Continue stitching around the outside of the rectangle and triangle with the fabric edge against the distance plate. The connecting stitches will be sewing on “nothing”. This will create the Picot edge. Place on the table with the triangle hanging off the edge of the table.
