## How to embroider Plus Hoop Designs with the Universal Cassette on the Husqvarna Viking #1+:

Embroidering Plus Hoop Designs with the Universal Cassette is easy!

Choose the design, by pushing the number, corresponding to the design you want to embroider.

For Example, Design #15 shown in our example, you would push button 15.

When finished stitching the embroidery in Menu 1, which will start first, touch Button #35 to get to Menu 2.

When finished stitching the embroidery in Menu 2, push button #35 again to get to Menu 3. Your embroidery will then be finished!
