Embroider

Mark the placement of the embroidery on the lower edge of the towel as illustrated. Insert an INSPIRA® size 75 embroidery needle. Thread the machine with off white embroidery thread on top and bobbin thread in the bobbin. Snap on your "R" embroidery foot.

Hoop the fabric in the 120 x 120 hoop with tear away stabilizer underneath and water soluble stabilizer on top. Select design #85 from the Classic Collection Samples that comes with your DESIGNER RUBY™. Select letter R. We used: Font Clarendon. Size 30mm.

Place the letter "R" inside the design and save the embroidery as illustrated.

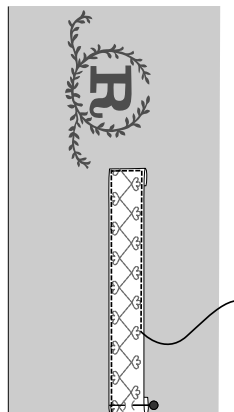

Embroider the combined design in one color. Tear away the stabilizer.

Sew

Set the machine for normal sewing. Snap on the "S" foot. Choose an Omnimotion Stitch, we used stitch K 2:17. Place the ribbon on a piece of tear away stabilizer. Stitch in the center of the grey silk ribbon. Tear away the stabilizer and press.

Cut the ribbon in half into two 10" pieces. Place one of the ribbon pieces on the towel to the left of the embroidery as illustrated. Fold the short edges of the ribbon to the wrong side and pin in place.

Snap on the Clear "B" Foot. Choose a straight stitch. Sew the ribbon in place along the edge.

Continue to pin and sew the ribbon on the right side of the embroidery in the same way.

Cut the velvet ribbon into two 20" pieces. Pin one of the velvet ribbon pieces 3/8" (1cm) below the silk ribbon as illustrated. Fold the short edges of the ribbon to the wrong side and pin.

Choose an appliqué stitch, we used stitch F 1:8. Sew the ribbon in place. Press.
