More Holiday Gift Ideas

Tired of getting flannel nightgowns from hubby for Christmas? Ask him to nurture your creative side with this list of fun products. If slipping it under his pillow doesn't give notice, try sliding in between the ham and the cheese in his sandwich. Either way, these are must haves for your creativity:

Husqvarna Viking Thread Velvet Design Collection #191

This design collection includes several new techniques including thread Velvet which uses layers of thread, cut from above to give the surface a velvety surface and touch. Included with the collection are instructions for making the Thread Velvet butterfly jacket.

Husqvarna Viking 4D Embroidery Extra software

This stand alone program gives you the power to personalize, with a click! Simple as simple can be, you can create designs automatically with the incredible ExpressDesign Wizards! Over 275 embroideries and 325 clipart images included! If your husband's the type that has to have it all, go for it! The Husqvarna Viking 4D Embroidery Pro system includes 9 software modules for creative fun!

Husqvarna Viking Fab-U-Motion!

Fabulous Fab-U-Motion! Just back from the International Quilt Festival where over 55,000 enthusiast recently convened, is positive feedback regarding the smooth linear ball-bearing movement of the Fab-U-Motion fabric mover. The larger opening affords more room for you to rev up and stipple, thread paint, free motion and enjoy. Don't forget, ergonomically the Fab-U-Motion fabric mover with Stitch Regulator by Quilter's Cruise Control will keep you stress and ache-free this Holiday season – especially when finishing your last minute gifts! Check it out on-line. <http://www.husqvarnaviking.com/us/9446.htm>

Don't Forget Stocking Stuffers!

Stocking stuffers are fun and would you not like to see your stocking brimming with tools for your creativity. Here are some suggestions: Magnetic Pin Bowl from Golden Threads; an MIY Home kit full of fabric and instructions to make a trendy table runner; Fabric Guide to use with your Fab-U-Motion; threads a plenty, threads galore, you can never have enough; and the new Husqvarna Viking Air Ease Hoop, an ergonomic-friendly way to effortlessly hoop delicate fabrics like velvet and challis.
