

Practical Yet Inspirational Embroidery and Sewing

*N*ordic lifestyle means simple and solid elegance, best value and great experiences. All traits in the new Limited Edition Scandinavian family of sewing machines from Husqvarna Viking. Simple settings let you sew with ease, from mending to embroidery. Scandinavia 400 and 300 sew and embroider. Add a personal touch, professional machine embroidery, on anything. Scandinavia 100 and 200 have PBB, perfectly balanced buttonholes. Buttonhole columns sew in the same direction. Genuine Swedish-made sewing machines with the Nordic way of life—easy, practical and affordable.
