### Instructions

1. Snip the threads which hold the umbrella frame to the umbrella fabric.
2. Fold each section of the umbrella fabric in half length wise and make a dot with fabric marking pen 4" from bottom edge.
3. Hoop the umbrella fabric with Hoop Ease centering the dot under the needle.
4. Embroider the butterfly design of your choice.
5. Embroider each section of the umbrella fabric.
6. Using the heavy duty thread and the hand sewing needle, stitch the umbrella fabric back to the umbrella frame.

Have fun in the rain!
