

Use of Free Designs from the Husqvarna Viking USA Web Site

Designs may be freely used by individuals for non-commercial purposes; that is you may embroider them on items or garments for your own use, for charity or as gifts. VSM Sewing Inc must be acknowledged as the source of the designs.

Designs may be downloaded, but not distributed to others without permission. Designs may not be sold, shared or copied under any circumstances. Designs may not be posted on any other web site.

If any use is desired that is not covered in the list above, please contact info@husqvarnaviking.com for further guidance.

Use of Free Projects from this Web Site are as follows:

Projects may be freely used by individuals for non-commercial purposes; that is you may make the projects for your own use, for charity or as gifts. Husqvarna Viking must be acknowledged as the source of the project. Projects instructions may be downloaded, but not distributed to others without permission. Projects instructions may not be sold, shared or copied under any circumstances. Projects instructions may not be posted on any other web site. If any use is desired that is not covered in the list above, please contact info@husqvarnaviking.com for further guidance.
