

Features & Benefits

*Huskylock*™ s21

**4, 3, 2 THREAD SEWING** – your choice for decorative and utility sewing

**21 STITCHES** – You trim, stitch, overcast or embellish a wide variety of fabrics in half the time

- **Coverstitches** – Sew a 3mm, 6mm or triple coverstitch, recommended for active wear or other decorative stitching
- **Chainstitch** – Join fabric layers where a pressed open seam is usually required. Works well as a basting stitch
- **4-thread overlock** - reinforces, trims fabric, overlock and seams for great results.
- **3-thread overlock** – narrow and wide overlock, seams, decorative bindings and finishes
- **2-thread overlock** – narrow and wide overlock seams, flatlock and rolled edge on light weight fabric

- **Built-in rolled edge** – sew 2 or 3-thread rolled hems quickly without changing the presser foot or stitchplate

**LARGE SEWING SPACE** – more space for coverstitch projects

**EXTENSION TABLE INCLUDED** - offers a generous work surface to support large projects

**PRE-PROGRAMMED STITCH SETTINGS**

– Choose stitch program and the machine automatically sets the thread tension for you

**TENSION RELEASE** – threads pull easily when presser foot is up

**EASY THREADING INSTRUCTIONS**

– step-by-step interactive DVD

**EASY TO CHANGE FROM OVERLOCK STITCHES TO COVERSTITCHES** - no needle plate/presser foot change needed at conversion for different stitches

**LAY-IN TENSION AND COLOR CODED THREAD PATHS** – easy to thread and easy to see

**DIFFERENTIAL FEED** – eliminates stretching of knit fabrics and puckering on lightweight fabrics. Can also be used for automatic gathering

**ADJUSTABLE STITCH LENGTH, CUTTING WIDTH AND PRESSER FOOT PRESSURE** – select best length and fine tune width for sturdy seams and flat smooth stitches on all fabrics

**EL NEEDLES** – Industrial type needles for high speed work and perfect stitch result

#### **PRESSER FEET**

- **Universal Standard presser foot** – can be used with all built-in stitches
- **Snap-on presser foot** – easy to change to optional feet for specialty techniques.
- **Optional feet** – a wide range of optional accessories to enhance your sewing results

**EXTRA PRESSER FOOT HEIGHT** – to easily sew several layers or heavy fabrics

#### **SPEED**

- **Sews 1100 stitches per minute** – sew faster, save time.
- **2 sewing speeds (on foot control)** – When you want more control use the slower speed

**ELECTRONIC PIERCING POWER** – stitch-by-stitch control with full piercing power at all speeds

**SAFETY SWITCH** – the machine will not sew when the front cover is open

**MOVABLE UPPER CUTTER** – disengage the cutter for special techniques

**BUILT IN TWO THREAD CONVERTER** – Easy conversion to 2-thread stitches

**THREAD CUTTER** – quick cutting of thread

**RULER** – use for quick measurement

**BUILT IN EXTENDED CARRYING HANDLE** – move the machine without tangling the threads

**WASTETRAY** – catches the scraps and threads
