

Sew and Go Bag

TASSEL

- Attach non stick glide foot H and thread machine with matching sewing thread top and bobbin.

Tassel strap:

- Fold long edges of 1" x 13" strip (2.5 x 33 cm) to center and from the right side sew a straight stitch down the middle of the strip.
- Place strap around one of the front bag handles.

Tassel fringe:

- Cut 1 piece of pink imitation leather 4-1/2" x 6" (11 x 15 cm). On the wrong side draw a line 1-1/2" (3.5 cm) from one long edge.
- Cut up to the line (3" long strips) approximately every 1/4" (6 mm).
- Fold top long edge down 3/8" (1 cm) to the wrong side. Use glue stick to secure.
- Start to wrap the fringe together from one short end. When you get close to the end catch one end of the strap end in the tassel. Glue in place to hold. Finish wrapping the tassel catching the other end of the strap in place. Glue to secure the opposite end of the strap. Strap ends should be opposite each other in the last wrap of the tassel.
- Cut 1/4" (0.6 cm) wide strip of pink imitation leather fabric and tie around top of tassel to finish.
