

- Use the same technique as before when sewing the 15" x 38.2" (37 x 97 cm) pieces of fabric 3 and the lining, but now place them along each of the short sides. Sew along the edges, fold out and press.

- Set your regular sewing machine for straight stitch, then thread the top and bobbin with regular sewing thread.
- Sew all the 3" x 43" (7.5 x 110 cm) strips together into one long strip. Fold in half lengthwise wrong sides together and press.
- Sew the strip to the back side of the quilt. Fold it around the edge and stitch the strip to the front side.
