

Flower

Sewing Supplies

- *Scraps of striped cotton fabric*
- *Scraps of lilac cotton fabric*
- *Sewing thread*
- *Fiberfill*
- *Vliesofix or Steam a Seam 2*
- *Wood stick*
- *Glue*

Print out the PDF-file with the templates for the petals and the center of the flower. Cut out. 1/4" (6 mm) seam allowance included in all measurements and pattern pieces.

CUT

Cut from double fabric 5 leaves from large petal template and 5 petals in layer of Vliesofix.
Cut from double lilac fabric 5 petals from small template and 5 petals in one layer of Vliesofix.
Cut from double fabric 1 piece for center of the flower from the circle template.

Thread your sewing machine with matching sewing thread on top and in the bobbin.

Press Vliesofix onto the wrong side of 5 large petals and 5 small lilac petals. Tear off the paper sheet from the vliesofix.

Place the vliesofix/fabric petals with fabric petals right sides together (one piece with vliesofix and one without). Select straight stitch. Snap on presser foot A. Sew around the sides with 1/4" (6 mm) seam allowance leaving an opening in the bottom of the petal to turn right side out. **Illustration A.**

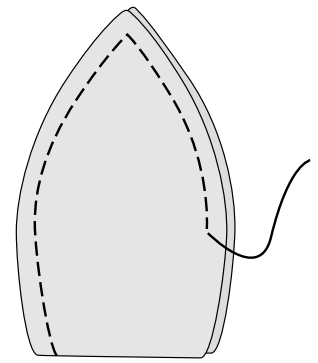

Illustration A.

Repeat for all petals. Turn right side out. Press.

Place the small petals on the large petals. Select 3-step zig zag and sew together the open sides. Repeat for all petals. **Illustration B.**

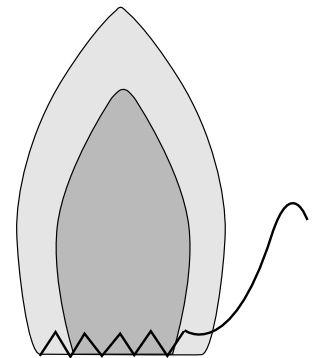

Illustration B.

Place the petals to form a flower. Select straight stitch and snap on Presser foot A again. Sew a few stitches in the middle to hold them together. **Illustration C.**

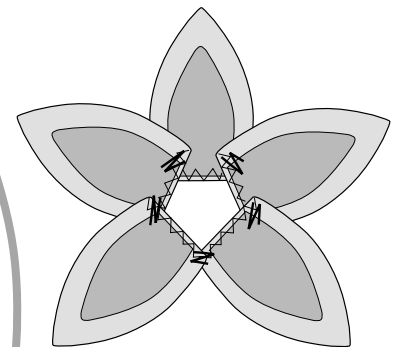

Illustration C.

Place the circular pieces right side together and sew, leaving a small opening to turn. Turn and press.

Insert a little fiberfill and pin the circular piece in the middle of the flower. Select the 3-step zig zag stitch again and sew all around the circle through all layers. **Illustration D.**

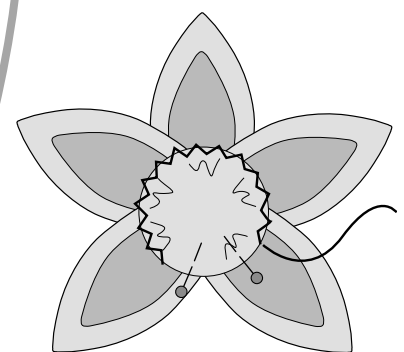

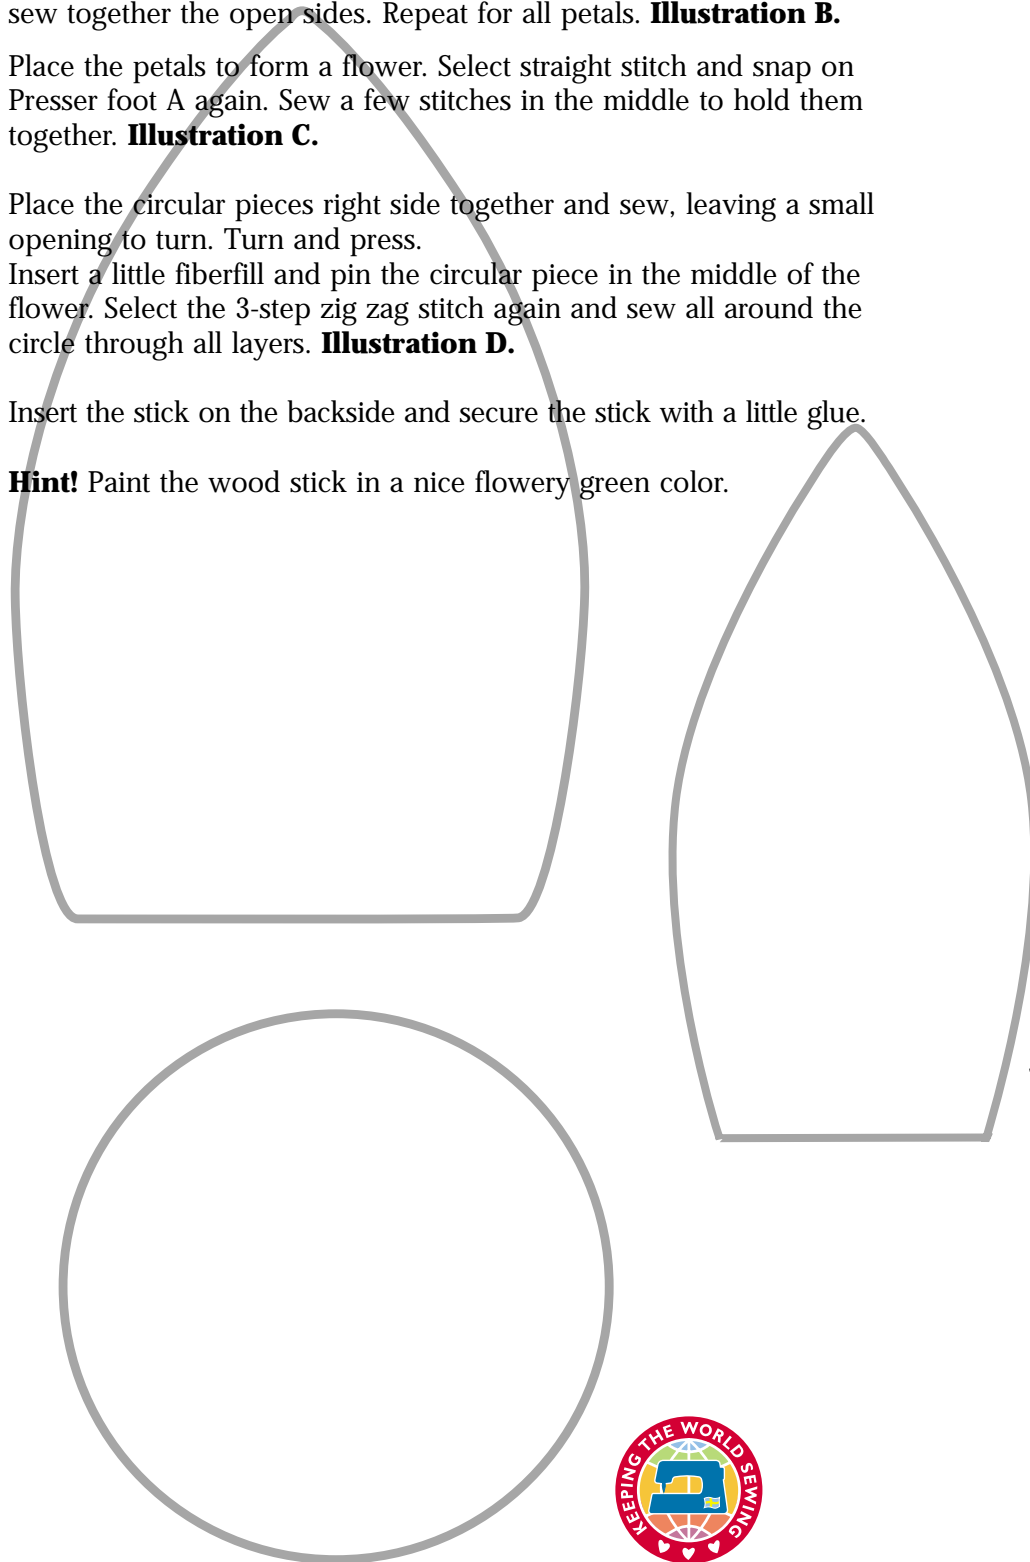

Illustration D.

Insert the stick on the backside and secure the stick with a little glue.

Hint! Paint the wood stick in a nice flowery green color.
