

Features & Benefits

Top Features

SINGLE HEAD WITH 10 NEEDLES

Embroider intricate designs in a fraction of the time.

LARGE EMBROIDERY AREA

Embroider designs up to 310x210mm (12"x8") in one hoop.

SMART CAP EMBROIDERY

The 220° wide angle cap system allows users to embroider around any cap with ease. Plus, your PLATINUM™ MN | 1000 multi-needle embroidery machine will automatically flip your design 180° whenever the cap driver is attached.

AUTOMATIC COLOR CHANGE

The PLATINUM™ MN | 1000 machine automatically moves to a different needle with every color change indicated in the design.

4 HOOPS INCLUDED

Work on a variety of projects with the 4 included hoops:

- 70x50mm (2.8"x2")
- 110x110mm (4.3"x4.3")
- 190x140mm (7.5"x5.5")
- 310x210mm (12.2"x8.2")

LARGE 7" COLOR TOUCH SCREEN

The 7" high definition LCD true color touch screen features a truly intuitive interface. Multi-angle, rotatable, and adjustable control panel bracket allows for better visibility.

Machine Features

FREE PREMIER+™ 2 INTRO SOFTWARE ACTIVATION CODE INCLUDED – Take your embroidery even further with the PREMIER+™ 2 INTRO SOFTWARE.

- Rotate, mirror image, and resize your embroidery designs
- Add multi-line lettering using one of the 13 included fonts
- Create your own fonts using most TrueType® or OpenType® fonts
- Includes 200 embroidery designs and Super Designs
- 18 decorative frames & corner options
- Automatically color sort your designs

AUTOMATIC THREAD BREAK DETECTION – Your PLATINUM™ MN | 1000 will stop and alert you automatically when the thread from any needle breaks.

AUTOMATIC THREAD TRIM – Your machine will automatically cut threads with any jump stitch trim or color change command. Trim any thread at any time with the easy access Thread Trim Button.

READS VP3 FORMAT – Use the same embroidery designs as your other HUSQVARNA VIKING® sewing and embroidery machines. The machine will also read DST designs.

COLOR SELECTION – Choose the order in which your PLATINUM™ 1000 machine uses the 10 spools. No need to arrange your spools in order when switching designs.

SMART SAVE – Never miss a stitch. If your machine stops suddenly or if you need to stop your embroidery for whatever reason, the Smart Save feature will remember the last stitch sewn. This way you can start on that exact stitch when you turn on your machine again.

COMPLIMENTARY DESIGNS – 101 embroidery designs are built into the PLATINUM™ MN | 1000. PLUS, an additional 200 designs can be found in your PREMIER+™ 2 INTRO SOFTWARE.

EMBROIDERY SPEED – Adjust your speed to embroider designs up to 1,000 stitches per minute.

LARGE MEMORY – Save up to 20 million stitches or 200 designs directly to your machine.

USB PORT – There is a USB port conveniently located on the side of the Control Panel to save and load designs with ease.

LED LIGHTING – 5 built-in LED lights provide superior visibility to every needle and every stitch.

SMALL SEWING ARM – At only 2" (50mm), the small sewing arm gives you the versatility to embroider more items.

LANGUAGE SELECTION – Choose from 14 different languages.

BOBBIN WINDER INCLUDED – A separate Bobbin Winder Set comes with your machine. You can wind bobbins while your machine is stitching so you don't miss a beat.
