Prism Tunic

Tips & Hints

1. Choose a loose-fitting tunic pattern without any darts and a soft flowy fabric.

2. Embroider design no. 2. along the edge of your tunic. Use the Basic Design Positioning to align them with a 1.25cm (1/2") distance. Mark with a PICTOGRAM[™] Pen.

3. Use a PICTOGRAM[™] Pen and draw a line where you want the decorative stitch to be. Choose stitch B:4 and set the stitch width to 5.5 and the stitch length to 8.0. Sew along the drawn line. The distance between the rows of stitches is 1.25 cm (1/2 "). Start sewing in the pointy corner. To sew the parallell line, mirror your stitch.
