## Cut:

Cut sizes are for throw and twin size quilts except where noted for Fabrics 8 and 9. Queen cuts and sizes can be found in parenthesis.

**From Fabric 1:**

- Cut 3 strips (queen: 6), 2½”L x width of fabric (WOF), then sub cut:  
44 squares (queen: 88), 2½”L x 2½”W
- Cut 1 strip (queen: 2), 2⅞”L x WOF, then sub cut:  
12 squares (queen: 20), 2⅞”L x 2⅞”W
- Cut 1 strip (queen: 2), 3¼”L x WOF, then sub cut:  
12 squares (queen: 20), 3¼”L x 3¼”W

**From Fabric 2:**

- Cut 4 strips (queen: 6), 2⅞”L x WOF, then sub cut:  
46 squares (queen: 70), 2⅞”L x 2⅞”W

If you are fussy-cutting your squares to achieve the look of our sample quilt, choose a fabric with flowers that measure approximately 3”-4” in diameter. Count the number of flowers from your selected fabric print to equal the number of squares the pattern calls for below, and then continue to Fabric 5’s cutting instructions. If cutting straight from yardage without fussy-cutting, cut Fabric 4, as follows.

- Cut 2 strips (queen: 3), 2½”L x WOF, then sub cut:  
32 squares (queen: 36), 2½”L x 2½”W

**From Fabric 5:**

36 squares (queen: 48), 2⅞”L x 2⅞”W
- Cut 1 strip (queen: 2), 3¼”L x WOF, then sub cut:  
12 squares (queen: 16), 3¼”L x 3¼”W

### Prepare:

Organize your space before making each set of blocks by pulling the fabric patches you'll need, as instructed. After completing each block, organize your blocks by jotting the block number on a small scrap of paper and pin to the finished block.

### Sew:

Block construction for blocks 1-24 are the same for all quilt sizes. You will need extra blocks (A-L) for the queen size quilt. Instructions are included in the separate PDF download, found on the Husqvarna Viking® website. [www.husqvarnaviking.com](http://www.husqvarnaviking.com)

### Construct Blocks 1 and 24

Select fabric patches to make 2 blocks:

#### Fabric 1

8 squares,  $2\frac{1}{2}'' \times 2\frac{1}{2}''$   
 2 squares,  $2\frac{7}{8}'' \times 2\frac{7}{8}''$   
 2 squares,  $3\frac{1}{4}'' \times 3\frac{1}{4}''$

#### Fabric 2

2 squares,  $2\frac{7}{8}'' \times 2\frac{7}{8}''$   
 12 squares,  $3\frac{1}{4}'' \times 3\frac{1}{4}''$

#### Fabric 3

6 squares,  $2\frac{7}{8}'' \times 2\frac{7}{8}''$   
 2 squares,  $3\frac{1}{4}'' \times 3\frac{1}{4}''$

#### Fabric 6

2 squares,  $2\frac{7}{8}'' \times 2\frac{7}{8}''$   
 12 squares,  $3\frac{1}{4}'' \times 3\frac{1}{4}''$

#### Fabric 7

2 squares,  $2\frac{1}{2}'' \times 2\frac{1}{2}''$

Please note: Use the following diagrams and basic instructions as a guide to construct all block units; FABRIC PLACEMENT WILL CHANGE FOR EACH BLOCK. Before you sew your units together, pay close attention to the image of the block you're creating, ESPECIALLY WITH 4-COLOR QUARTER-SQUARE TRIANGLE UNITS. This will assist you in achieving accurate orientation of the units you construct.

- **Make half-square triangle units.**

1. Select 1 each; Fabric 1 and Fabric 3 squares,  $2\frac{7}{8}$ " x  $2\frac{7}{8}$ ".
2. Using marking pencil, draw a diagonal line on the back of your Fabric 3 square and, with right sides together, place on top of your Fabric 1 square (Diagram 1a). Pin fabric squares together along marked pencil line.
3. Sew a  $\frac{1}{4}$ " seam on either side of your marked line (Diagram 1b).
4. Using your ruler and rotary cutter or scissors, cut along marked line, giving you 2 half-square triangle units; press each unit toward Fabric 1 (Diagram 1c). Make 4 half-square triangle units, total. Set aside.
5. Using same half-square triangle technique, select 1 each, Fabric 2 and Fabric 6 squares,  $2\frac{7}{8}$ " x  $2\frac{7}{8}$ ". Make 4 units, total. Set aside.

- **Make quarter-square triangle units (2-color).**

1. Select 1 each; Fabric 2 and Fabric 6 squares,  $3\frac{1}{4}$ " x  $3\frac{1}{4}$ ".
2. Referring back to Diagrams 1a-1c, place a marked Fabric 6 square on top of the Fabric 2 square; right sides together. Pin in place and sew a  $\frac{1}{4}$ " seam on both sides of your marked line. Cut along marked line, leaving you with 2 half-square triangle units. Press each unit toward Fabric 6.

3. With units facing up, use your ruler and rotary cutter to cut each half-square triangle unit, diagonally (Diagram 2a).
4. Pair up your units according to Diagram 2b and sew together to make 2 quarter-square units, as shown. Make 16, total. Set aside.

Diagram 2a

Diagram 2b

- **Make quarter-square triangle units (4-color). Pay close attention when joining units in Diagram 3; each block's units will be different.**
  1. Select 1 each; Fabric 1, Fabric 3, Fabric 2, and Fabric 6 squares,  $3\frac{1}{4}'' \times 3\frac{1}{4}''$ .
  2. Referring back to Diagrams 1a-1c, place a marked Fabric 3 square on top of the Fabric 1 square and place a marked Fabric 6 square on top of the Fabric 2 square. Sew a  $\frac{1}{4}''$  seam on both sides of the marked lines. Cut along both marked lines, leaving you with 2 pair each of matching half-square triangle units. Press the units toward Fabric 1 and Fabric 6, respectively.
  3. With units facing up, cut each half-square triangle unit in half diagonally (Diagram 3a).

Diagram 3a

Diagram 3b

4. Pair up your units, as shown, and sew together to make 4 quarter-square units (Diagram 3b). Make 4 of each orientation for 8 units, total. Set aside.

Diagram 4a

Diagram 4b

- **Make 3-triangle units.**

1. Select 4 Fabric 3 squares,  $2\frac{7}{8}'' \times 2\frac{7}{8}''$  and cut in half diagonally; set aside.
2. Select a Fabric 2 and Fabric 6 square,  $3\frac{1}{4}'' \times 3\frac{1}{4}''$ .
3. As you did using Diagrams 1a-1c, place a marked Fabric 6 square on top of Fabric 2 square. Sew  $\frac{1}{4}''$  seam on both sides of marked line. Cut along marked line and press toward Fabric 6.
4. With units facing up, cut them in half diagonally (Diagram 4a). Make 8 pieced triangle units, total.
5. Pair 4 pieced-triangle units, each, with a previously cut Fabric 3 triangle. With right sides together and pieced unit on top, pin and carefully sew together each unit (Diagram 4b). Press toward Fabric 3. Make 8 units, total.

**Block Assembly for All Blocks:**

1. Paying close attention to orientation and referring to block image, lay out block patches and sewn units on your cutting mat.
2. Sew units together into rows and sew rows together to make 2 identical blocks (there will be 2 times you'll make 4 identical blocks); label each with a block number (i.e., "Block 1" and "Block 24" for the first set of blocks you make). Set aside for quilt top assembly.

#### Block Assembly

Assemble your blocks, label them, and set aside.

For queen quilt, please print off the PDF on the Husqvarna Viking website to construct the remaining blocks (A-L).

## Quilt Top Assembly

The following assembly instructions are for the throw and twin sizes. If making the queen size, please refer to the second PDF available on the HV website, titled: Additional Queen Blocks and Finishing Queen Quilt.

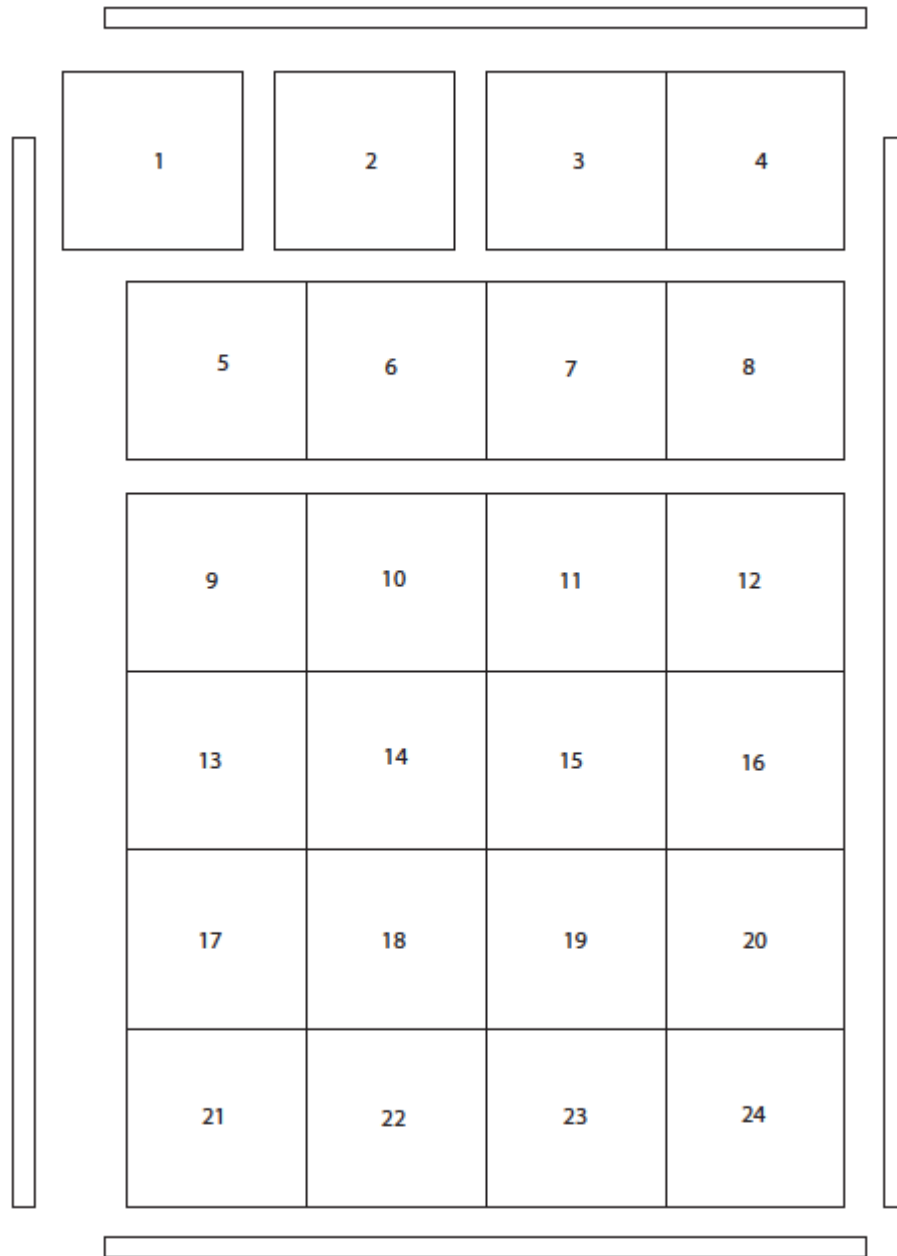

Throw size (Throw Assembly Diagram):

Lay your blocks out on a design wall or open space that will accommodate them. Pay close attention to orientation of your blocks, by referring to the Quilt Top Assembly Diagram.

***Tip: take a photo of your quilt top before you sew the blocks together. This helps to detect any mistakes before you begin sewing your blocks together.***

Once satisfied with your block lay-out, sew your rows of blocks together and press the seams of each row in opposing directions. Sew rows together to complete your pieced center and press seams toward the top of your quilt.

Piece together your 6 Fabric 9 strips, 1½" x WOF, end-to-end, to make one long strip. From this length, cut 2 strips, 60½" x 1½" and sew to each side of your quilt top. In the same manner, cut 2 strips, 42½" x 1½" and sew to the top and bottom of your quilt top.

Throw Assembly Diagram

Twin size (Twin Assembly Diagram):

Follow the throw instructions to after you've sewn the first Fabric 9 border strips to your quilt top.

Next, sew Fabric 8 strips, 64½" x 1½", to each side of the quilt top. Finally, sew Fabric 8 strips, 62½" x 1½", to the top and bottom of your quilt top.

Finally, sew together your remaining Fabric 9 strips to make one long strip. From this, cut 2 strips, 86½" x 1½" and sew to each side of your quilt top. Cut 2 strips, 68½" x 1½" and sew to the top and bottom of your quilt top.

Twin Assembly Diagram

Sandwich and baste your quilt top with batting and backing and add 2 ¼” folded binding.

Congratulations! Your quilt is finished! Add a quilt label to the back of your quilt with your name and date, and perhaps a thoughtful message if your quilt was made for someone special.
